LCCFFC family centered, strengths-based **Community Support Teaming** (Service Coordination and High Fidelity Wraparound) services are available to families/children whose needs cannot be adequately addressed through traditional child serving systems, children at risk of out-of-home placement and children with needs in more than one system.

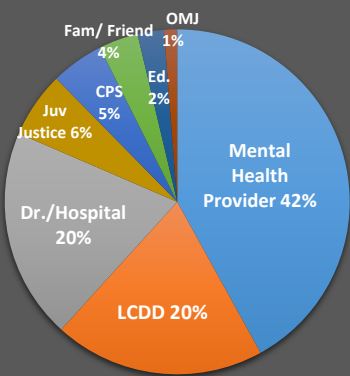

Community Support Teaming

81 Children served in

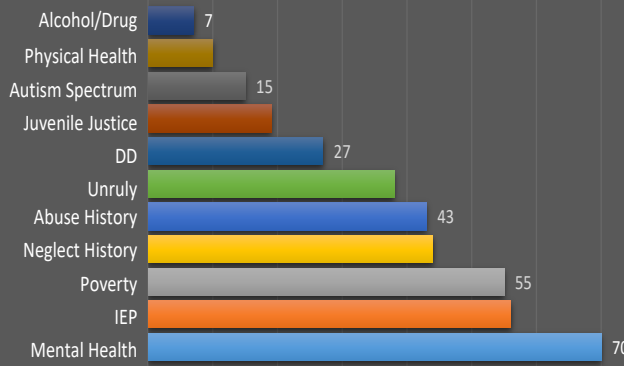

65 Families

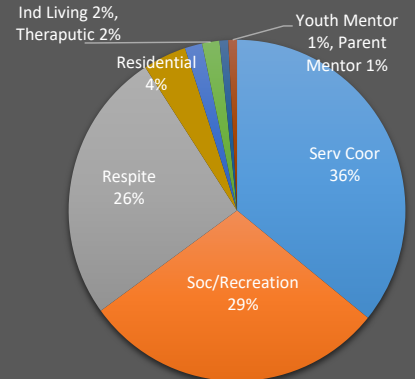

Referral Source

Needs at Intake as defined by referral source

Funded Services

Early Intervention Services

CFFC is charged with ensuring that Early Intervention (EI) services are provided in Licking County. **Licking County Board of Developmental Disabilities (LCDD)** provides the EI coordinated home and community based services, using everyday routines, to parents of young children with disabilities. During 2017 state monitoring, LCDD met 100% compliance for ensuring infants and toddlers received Individual Family Service Plan delineated services within 30 days of plan implementation. LCDD awarded funding for Promotion Activities.

- 395** EI referrals received.
- 164** Children enrolled in EI services.
- 273** Children served during 2017.
- 100%** Children served within 30 days

LCCFFC partners are committed to a Shared Plan to address the identified needs of our community's children and families by:

Ensuring Early Childhood Mental Health services and supports for children who are high-risk, high-need, or multi-system involved—

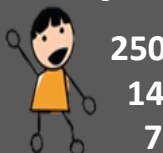

- 18** Organizations providing early childhood mental health services and supports identified in 2017 (many part of Early Childhood Mental Health Committee).
- 15** Children birth to age 8 served in 2017.
- 1** Early Childhood Clinical Committee providing family-centered, strengths-based consultation, service coordination and authorization for service/support funding. (Complements the work of the Clinical Committee for older youth.)

Ensuring high risk, high need, multi-system Older Youth/Young Adults (OY/YA), age 14-21, become successful adults—

- 13** Organizations and a young adult represented on the ENGAGE Leadership Committee. The committee created a pocket resource guide for OY/YA and those working with OY/YA.
- State ENGAGE Initiative**, to improve outcomes for OY/YA and increase the use of wraparound teaming, concluded.
- 42** Organizations participated in teaming and
- 5** Organizations provided team facilitation services.

Ensuring availability of developmentally appropriate Trauma Informed Care (TIC) and environments for children and families—

- 250** Individuals trained at Licking County TIC Summit, hosted by numerous partner organizations. 2nd Summit in the works!
- 14** Organizations reported employing staff who are trained in providing TIC and 6 organizations have a TIC trainer on staff.
- 7** Organizations with a TIC/Environment plan and Licking/Knox Mental Health & Recovery developing a system level plan.

Board President- Kristin McCloud, Pathways of Central Ohio; **Past President-** Joe Ebel, Licking County Health Department; **Vice President-** Kim Wilhelm, Job & Family Services-Child Protective Services; **Treasurer-** Jason Umstot, Licking County Board of Developmental Disabilities

Council Coordinator- Sylvia Friel, 740-670-8844. **Clinical Systems Services Coordinator-** Cindy Webb, 740-670-8916

LCCFFC — C/O Licking County JFS, 74 South 2nd St., PO Box 5030, Newark, OH 43058-5030.
